

WRITTEN COMMENT CARD - PORTLAND HARBOR SUPERFUND SITE

TO: EPA Region 10, Portland City Council, and congressional representatives

Comments: (use back for additional comments)

The companies that polluted the river to begin with should be responsible for the clean up not the taxpayer. They (business) benefited by dumping their waste cheaply. We should demand they be responsible for their waste! I DID NOT POLLUTE THE RIVER! They did and they have millions-billions of profit, so business needs to be responsible for it! And do it right!
